Checklist for Aquifer Exemptions 7-24-14-3.pdf  
Criteria for Aquifer Exemptions 7-24-14-2.pdf

David,

Attached are 3 pdf's. The checklist shall require some time to recreate in word the format of the pdf but I'm making progress on it.

Jim,

here is the pdf. I would like the memo as one pdf, the page of criteria as a second, and the checklist as a third pdf. In addition, if you can convert the checklist to Word file, that is a bonus. Thanks, David
